Dear Mrs Ades

Proposed Diversion of Public Footpath Beckley 13, Beckley Recreation Ground, Beckley, TN31 6RL

I am writing to notify the Parish Council that the County Council intends to make a public path diversion order to divert Public Footpath Beckley 13 under Section 119 of the Highways Act 1980.

Footpath 13 is recorded on the Definitive Map and Statement following the route shown as A to B on the attached plan through the recreation ground. The path is believed to have been unavailable on that route since the recreation ground was established in the late 1970's, after it was discovered that a diversion order made by Rother District Council in 1978 was unresolved due to objections made at the time.

The diversion to the route C to D on the plan is proposed in the interest of resolving this anomaly. The footpath will be recorded with a legal width of 2.5 metres as the width the County Council would ordinarily apply to diverted paths. I should clarify that this does not require that the path is set out or demarked to 2.5 metres and it will have no implication where the route follows the more narrowly surfaced path between Main Street and the play area.

I would be pleased to receive any comments Parish Council wishes to make by 15th January 2021.

Yours sincerely

R China-Roberts
