Dear Mrs Ades

Proposed Diversion of Public Footpath Beckley 22b, Great Conster, Moores Lane, Beckley, TN31 6SA

The County Council intends to divert Public Footpath Beckley 22b under section 119 of the Highways Act 1980.

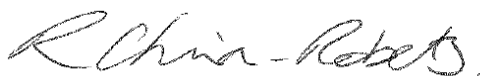

Footpath 22b path was diverted in 2004 from its original route shown by the grey dotted line between points C and B on the attached plan. The diversion was applied for by the landowner with the intention of moving the path to the line A-D-C. It was this line that was made available following the diversion and which has been in use ever since.

However, an error was made on the 2004 Order plan which was drafted to show the route A-B-C. This error was only recently discovered by the landowner, who has now applied for a further diversion to resolve the error. They have agreed to meet the Council's costs in making the necessary Order, which would be promoted by the Council in the interest of both the landowner and the public.

A pedestrian gate already exists point D. The County Council proposes to record a width of 2.5 metres for the path.

Comments on the proposal would be welcomed by 15 January 2021

Yours sincerely

Ruth China-Roberts
