Bottles From...

If you see an abandoned drinking bottle or can, rescue it and send us the details. This campaign will help us lobby the Government for a deposit return scheme at the end of the current consultation.

Send your findings to: bottlesfrom@gmail.com
adding a location to the subject e.g. Bottles from Rye.

Please tell us (if possible take a photo):
Where you found them – park, beach, river etc.
How many & what type – plastic, metal glass
Size – small (under 750ml) or large (750ml or over)

For more info, visit www.strandliners.org
